Thank you for your continued support of the NH Farm Bureau!

I/We hereby apply for membership in the NH Farm Bureau Federation, Inc (NHFB). I have enclosed and understand that my payment of dues includes the annual dues of the American Farm Bureau Federation. Membership will be for one year. Membership is welcomed among farmers, non-farmers and organizations that are interested in strengthening and promoting NH agriculture and wish to support the NHFB and participate in its services. Membership dues are not deductible as a charitable contribution but may be deductible as a business expense for Federal Income Tax purposes. However a change in tax law (P.L. 103-66) has determined that the portion of dues estimated to be directly allocated to lobbying activities (using IRS definitions) is no longer deductible as a business expense. The portions of your annual dues estimated to be allocated to the lobbying portion of our overall legislative effort, which is nondeductible, is 10%.
